Strawberry Cake

A cake decorated with strawberries and whipped cream, nineteen lit candles shimmering on top. Arms wrapped around him, and a nose buried itself in his hair. He turned and looked into emerald green eyes, a shy smile on the redhead's lips.

"Happy birthday, Izzy. Sorry, I had no money for a gift."

Then those lips swept over his, soft, sensual, and everything he'd dreamed of. Sliding his hand along Axl's jaw, he gently returned the kisses, leaning in to his friend and enjoying the feeling of a new found relationship.

It was the only birthday gift he'd dreamed of.
